together we rise
Solutions to Start and Stay Strong
A Systematic Approach To Embracing A Positive New World

In the midst of never-before-imagined circumstances, organisations have an opportunity to set a positive course for their next normal. Embracing new ways to live, work, play and care, we can reimagine what is possible.

Quite simply put, Sodexo was made for this moment. We have the unique capabilities and resources to combine a complete range of services – from disinfection to safety services and healthy, convenient meals, wellness services and space transformation. Taking learnings from our early experience in restarting businesses in China during the COVID-19 crisis, we developed a program that helps organisations craft their future and rise with confidence.

Sodexo has created a systematic and comprehensive approach to help you prepare for and implement changes to your daily operations. These services enable organisations to rise to the challenges and possibilities of a new world for our associates, customers, partners, communities and society. When you Rise with Sodexo, you have access to a comprehensive offering of best-in-class practices created by a team of experts and our experience from around the world. Our unique program prioritizes safety, wellbeing, and productivity so everyone can get back to the business of living.

Healthy, Productive Environments for a Better Tomorrow

«Rise with Sodexo» is a holistic approach to wellbeing readiness. Working together, we prepare you to overcome the challenges of the site restart process before people return to your locations during their transition to the next normal and beyond.

With dedicated training for your employees, robust disinfection and infection control methods, employee health checks and more, your dedicated Sodexo team will work to your unique requirements and opportunities.

Our clients benefit from our award-winning site management system, which we use to monitor, inspect and analyse our operations within your site for optimal visibility and transparency.

Delivering the right service at the right moment:
Expansive Expertise, Precise Problem Solving

Sodexo’s unparalleled global expertise and uninterrupted resources position us to take a consultative approach to our partnerships, leveraging broad experience to find pinpoint solutions for your organisational needs.

We work closely with our robust supply chain to give access to the items our clients need to operate safely, like PPE and sanitation products. We customise our programs to precisely fit your organisation, leveraging our deep expertise and experience to explore every relevant option to overcome your challenges.

We are all facing an enormous challenge. Nobody knows how the situation will develop and which long-term changes it will bring. The economy and our lives are slowly starting up again. However, solidarity will be more important in the future than ever before.

We are passionate and committed to support our customers with a dynamic team. We are flexible and can respond particularly well to your individual needs. The safety, well-being and productivity of your and our employees are our top priority."

PATRICK DÖBELIN  
Country President Switzerland
Sodexo is committed to making a positive impact. Our approach to keeping people healthy starts with understanding their everyday journeys, experiences and also understanding the social, economic and environmental challenges of the world they live in.

This is why we map out each step of their daily routines and create solutions to address each need. Using this people-centered philosophy, we build a custom plan to adapt the principles and services to your unique needs.
Together we will make great things happen

We’re a team dedicated to the spirit of rising to the challenge, evolving our work to help you achieve your goals and exceed expectations.

As we begin to build your customised plan, your Sodexo team will work with you to define governance, review your data to identify opportunities, conduct a risk assessment and define critical activities that will prepare you to open.

Even after all your people return, Sodexo will support you and your organisation with contactless services and disinfection services, providing regular reporting on work completion, inspections conducted, incidents & risks identified.
